Dear Mr. Hsu:

On behalf of Partners in Mission Food Bank, I would like to thank you and your staff for the donation of 175 lbs. of food.

You may be interested to know that due to the invaluable support of our donors, we were able to distribute 10,847 food orders to clients in 2012, our highest amount in the history of our Food Bank. Couple that with the 48,924 lbs. of food given to local hot meal and shelter programs and you will soon recognize the state our economy is in. Our challenges for 2013 will be immense. With no measureable increases in assistance to low-income families, along with the continued rise in the cost of living, we fear that dependence on food banks will be even more prevalent in 2013. Continued community support is the only way we can help our less fortunate neighbours.

Please relay our thanks to all who contributed.

Yours sincerely,

Sandy Singers
Executive Director
